2014/2015 SNOWMOBILE RACING PROGRAM

For the '14/'15 Snowmobile Racing Season, Polaris will again have a program offering race sleds at discounts to qualified drivers. We will continue to support most venues of competition, both with discounted sleds and contingency funds.

We will have a limited number of sleds to be available, at a discount, to qualified drivers this season. Racers will be selected on the basis of racer resumes which must be mailed to the Polaris Race Department in Rothschild, WI (address listed above) no later than May 1, 2014. **FAXED OR E-MAILED APPLICATIONS WILL NOT BE ACCEPTED.** The resume should include the racer's venue accomplishments, requested model(s), and the name of the dealer with whom they wish to work. Polaris will advise racers by July 15, 2014 if they have been selected. A driver's application is posted on the Polaris Racing website for your convenience.

As in the past, team members will receive their units at a reduced price, prepaying Polaris for the units which will be shipped to the dealership they select. Team members will also have the opportunity to order, at a discount, additional race clothing from the exclusive 2016 Race Collection.

Race units must be picked up from dealer upon delivery and registered to the racer at date of shipment/delivery.

We thank all racers for their support of Polaris products. You have our commitment to continue to provide the best, most competitive race sleds to all racers.

Race Tips are available on the Polaris Internet site. Go to www.polarisindustries.com, find **Rider Community (top or bottom of page), then click on **Snowmobile Racing**. This will bring you to the Racing website page.**

Polaris will also use the e-mail address you provide on the Racing Application to e-mail any updates or changes to the race sled. Check your e-mail on a consistent basis!

Good Luck. Good Racing.
